2. In the file limited below what decision with the proposals effecting reduction in the rates of assessment prevailing present in Sandur State area, a detailed report the prevailing land revenue system in the area and a Comparative Statement showing the various rates of assessment obtaining in the State area and the adjoining taluks of Bellary Dt. have been received from the Dt of Bellary in that file. In this connection the Board of Rev also stated that the rates of assessment in vogue are decidedly higher than those prevailing in the adjoining upstream taluks of Bellary Dt and they recommended, pending a regular settlement of the area which may take some time, the following two proposals may be approved

as a measure of [illegible]

(1) all rates of assessment above Rs 2-8-0 may be altered to 2-8-0 in respect of any rate of the adjoining portion of this Province; and

(2) in respect of rates of assessment below Rs 2-8-0 reduction of two annas in the rupee on the existing assessment may be made.

~~In regard to the two proposals mentioned above and~~ the bottom file (L.F. I below) which deals with the proposals and has been asked to report on the financial implications of the proposals and the Board's report having been circulated in that file.

A draft answer to the L.A. question, based on the details available in the L.F. I below has been prepared and is submitted for approval.
